## Managing Director

**Visionary Farmer | Youth Mentor | Wellness Innovator | Rural Empowerment Leader**

### Who is Kanego Thamane?

Kanego Thamane is a trailblazing mother, wife, and rural entrepreneur based in the Sekhukhuni District, South Africa. Through bold innovation and deep care for her community, she has transformed her 30-hectare farm into a hub of empowerment, wellness, and agricultural development.

### Empowering the Next Generation

- Opened her farm as an experimental site to train and mentor local youth in sustainable agriculture.
- Provides support to NPOs and start-ups, offering land access and hands-on coaching.
- Equips aspiring farmers with practical techniques and business skills to start their own agribusinesses.

### Innovator in Organic Farming

- Developed her own line of organic fertilisers to improve soil health and crop quality.
- Committed to natural, chemical-free methods for better yields and healthier produce.

### Wellness & Health Product Developer

- Discovered and harnessed the power of Moringa, Aloe, and Garlic.
- Created a herbal detox tea to support natural body cleansing and immune function.
- Manufactures a high-nutrition porridge designed to enhance memory and promote daily wellness.

### Breaking Barriers

- Secured a barcode for her products—a major milestone for a rural woman entrepreneur, allowing her access to retail markets.
- Proving that women in rural areas can build scalable, market-ready brands.

### Community Impact

“She changed my life health-wise and taught me everything I needed to start my own agribusiness. My family now lives healthier and I have a purpose.”

### 🌟 What Sets Her Apart?

- Free-spirited, compassionate, and incredibly talented, Kanego leads with purpose.
- She sows not just crops—but hope, knowledge, and opportunity.
